1. Introduction

The European Commission is committed to protect your personal data and to respect your privacy. The Commission collects and further processes personal data pursuant to [Regulation \(EU\) 2018/1725](#) of the European Parliament and of the Council on the protection of natural

persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data.

This privacy statement explains the reason for the processing of your personal data in the context of a workshop, organised by the European Commission. It explains the way we collect, handle and ensure protection of all personal data provided, how that information is used and what rights you have in relation to your personal data. It also specifies the contact details of the responsible Data Controller with whom you may exercise your rights, the Data Protection Officer and the European Data Protection Supervisor.

The information in relation to the processing of personal data linked to meetings and events, organised by the services of the European Commission, is presented below.

2. Why and how do we process your personal data?

Purpose of the processing operation: the European Commission collects and further processes your personal data to provide you with information about the specific workshop (before, during and after) and to process your application for participation in that workshop.

Live web-streaming and audio-visual recording at the workshop of the speakers, organisers and participants, as well as photographs of the speakers and panoramic photographs of participants and organisers will be taken and published in the context of the workshop.

The audience or non-speaker participants are not photographed individually or in groups. They may however appear on panoramic photographs of the whole event/audience.

Participants that do not wish to be part of the above web-streaming and recording/publishing activities have the possibility to object to processing.

Data subjects can object to processing by not turning on their camera or by sitting in at indicated seating at the back of the venue or wearing a different coloured badge band (further guidance will be given at the registration desk the day of the event).

3. On what legal ground(s) do we process your personal data?

If you opt-in, you are giving us your explicit consent under Article 5(1)(d) of Regulation (EU) 2018/1725 to process your personal data for those specific purposes. You can give your consent via a clear affirmative act by ticking the box(es) on the online registration form.
